Banana Milkshake

Ingredients:

- 1 banana
- 250ml milk
- 3 ice cubes

Method:

1. Peel the banana and add to a blender
2. Add the milk and ice cubes to the blender
3. Turn on the blender for 30 seconds
4. Drink!

Reviews:

- Marcus: this was really simple to make - 9/10
- Adeel: ok, but another banana would improve the flavour - 7/10
